

Chemical Equivalency Notice

This certificate is provided to assure the purchaser of the following product's quality and equivalency to the legacy brand product listed below for the purpose of use at the purchaser's location.

DOWSIL™ 732 Multi-Purpose Sealant

is equivalent to:

SILASTIC 732® RTV ADH/SLNT

DOW CORNING® 732 Multi-Purpose Sealant

With regard to the rebranding activities, there are no changes to the manufacturing facilities, processes, test methods, or equipment used for the Dow Corning products at this time. In the event of any changes to the foregoing, Dow Corning will follow its standard change management and notification process.

Please refer to the product details pages on www.dow.com for a general description of product characteristics and sales specifications.

We remind you that customers must determine the suitability of our products for the use in their applications and formulations. This information should not be used in substitution for customer tests to ensure that the products are safe, effective and fully satisfactory for the intended end-use.

If you have any questions, please contact us.

A handwritten signature in black ink that reads "Massimo Rebolini".
